# DURUM WHEAT (CLASS II)

## (ABRIDGED REQUIREMENTS)

THIS CLASS SHALL INCLUDE ALL VARIETIES OF DURUM WHEAT, AND MAY INCLUDE NOT MORE THAN 10% OF OTHER WHEAT OR WHEATS. THIS CLASS SHALL BE DIVIDED INTO THREE SUB-CLASSES, AS FOLLOWS:

| SUB-CLASS               | PRINCIPAL SUB-CLASS REQUIREMENTS                                  |
|-------------------------|---|
| (1) Amber Durum . . . . | 75% or more of hard and vitreous kernels of amber color.          |
| (2) Durum . . . . .     | Less than 75% of hard and vitreous kernels of amber color.        |
| (3) Red Durum . . . . . | Durum wheat consisting of more than 10% of the variety Red Durum. |

### PRINCIPAL GRADE REQUIREMENTS.

| Grade Number | Minimum Limits of Test Weight per Bushel | Maximum Limits of— |                 |              |                                     |       |  |       |
|--------------|--|--------------------|-----------------|--------------|-------------------------------------|-------|--|-------|
|              |  | Mois-ture          | Damaged Kernels |              | Foreign Material other than Dockage |       | Wheat of other Classes                       |       |
|              |  |                    | Heat Damage     | Total Damage | Matter other than Cereal Grains     | Total | Soft Red Winter, White Club and Common White | Total |
|              | Lbs.                                     | %                  | %               | %            | %                                   | %     | %  | %     |
| 1            | 60                                       | 14                 | .1              | 2            | .5                                  | 1     | 2  | 5     |
| 2            | 58                                       | 14.5               | .2              | 4            | 1.0                                 | 2     | 5  | 10    |
| 3            | 56                                       | 15                 | .5              | 7            | 2.0                                 | 3     | 10   | 10    |
| 4            | 54                                       | 16                 | 1.0             | 10           | 3.0                                 | 5     | 10   | 10    |
| 5            | 51                                       | 16                 | 3.0             | 15           | 5.0                                 | 7     | 10   | 10    |
| Sample Grade |  |                    |                 |              |                                     |       |  |       |

Sample Grade=Wheat not coming within requirements of grades Nos. 1 to 5, inclusive, or which has any commercially objectionable foreign odor, except of smut, garlic or wild onions, or is very sour, or is heating, hot, infested with live weevils or other insects injurious to stored grain, or is otherwise of distinctly low quality, or contains small inseparable stones or cinders.

(1) Grade No. 1 shall be bright.  
(2) Grades Nos. 1 to 4, inclusive, shall be cool and sweet.  
(3) Grade No. 5 shall be cool, but may be musty or slightly sour.  
(4) Grade No. 1 Amber Durum and Grade No. 1 Durum may contain not more than 5% of the durum wheat variety Red Durum.
